Delves Eco Warriors!

Val Nicholls, Chair of Delves Tenant Management Organisation, part of WATMOS Community Homes, has turned eco warrior and is looking to inspire local residents to look at ways to cut their energy costs, reduce their household carbon footprint and take responsibility for the safe future of the planet.

Val, along with other volunteers from Delves TMO, attended a national environmental eco warrior course at a renowned training centre in Chester. The two day course informed people about insulation of homes and community centres, energy efficiency through low energy light bulbs, local food use and recycling effects of transportation.

An energy awareness day held in Delves and supported by Delves United Charity and WATMOS Community Homes will be held in the near future to give information to local residents on the issues Val learnt on the course.

Val said: "We all need to encourage others and act on these issues. Years from now I don't want to go down in history as being part of the generation that knew better but did nothing. Act now or lose it!"

Note to News Desk

WATMOS Community Homes is a charitable housing association, which provides accommodation for those in housing need in the Walsall area of the West Midlands with each of our estates run by tenants and residents who live there.

Our aim is to create strong and stable communities within safe and pleasant neighbourhoods through resident control and locally accountable tenant management.

Val Nicholls is Vice Chair, Delves United Charity and Chair of Delves Tenant Management Organisation who work together improve the environment in the Delves Area. Val can be contacted 07759486347

Trafford Hall is the home of the National Communities Resource Centre. Trafford Hall runs training programmes designed to help communities help themselves. See www.traffordhall.com for more information.
